Winter Jr Golf Academy

Wintertime Golf & Enrichment for Your Junior Beginning in November

Beginner 8-Week Introductory Classes

If your child has no experience, this is a great way to build a foundation of golf basics, safety, character building and spark an interest in the game of golf. These classes are taught in our open classroom area using our PGA/LPGA endorsed SNAG clubs. We follow the First Tee teaching standards and pay special attention to the needs of each child. This is a good class for children that have tagged along with parents to the driving range, but don't have clubs or haven't taken lessons or participated in a golf camp.

Elementary: Ages 8-12+ Tue, Wed, Thu nights, Sat late mornings

Peewees: Ages 5-7 held Mon @ 4:30pm or Sat @ 10:30am

Class Details: 8 weeks, with a minimum of 4 students/class

Cost: \$125/student, call to register or email sales@genesis.golf

Next Offering: we will start another series of classes in January

Foundation Building Level 1 'Player' Classes

If your child has completed our Introductory class, camps or another golf program, this is the next step for your child. The program follows The First Tee 'Player' program, starting in our open teaching area with SNAG through December, and then moves back into our Hitting Zone area. Use of the entire facility will occur, including putting for 15 minutes to keep their short game sharp. This is great for a child that doesn't know how to navigate a course on his or her own, and doesn't know the rules and etiquette of golf. Juniors that were in our 20-week session can expect to be "greens" ready by the spring to join several of the area's programs with confidence: YCJGA developmental program, PGA Jr League team or course camps

Elementary+: Ages 8-13+ Tue, Wed, Thu nights, Sat @ 11:30am

Class Details: 20 weeks, with a minimum of 4 students/class

Cost: \$375/student, call to register or email sales@genesis.golf

Tour & High School Prep Level 2 "Par" Classes

This program is developed for a junior 'Players' that have completed our Level 1 winter program and/or are older and ready to prepare for a high school golf team. The program follows The First Tee 'Par' program, will be held in our Hitting Zone area with an additional putting exercise to keep their short game sharp. Clubs are required and class sizes will be *limited to 4 students*. Juniors can expect to be "tour or team" ready by the spring to join the YCJGA 9-hole or 18-hole tour, plus their high school teams in the fall.

Middle School+: Ages 11-15 Tue, Wed, Thu nights

Class Length: 20 weeks, with a minimum of 3 students/class

Cost: \$499/student, call to register or email sales@genesis.golf

NOTE: to move onto Level 2, a child needs to demonstrate maturity, physical strength, skill and focus. Younger kids may need to repeat

Social Connections & Future Foursome Friends

Our goal is to connect juniors to other junior golfers within their age and gender. This is critically important for kids, especially girls, to ensure they get the same social opportunities they get in other sports.

NEW Winter Junior Membership

Taking classes or lessons is just the beginning of building your junior's golf game. We know how important it is to know that the place you are dropping your child off to, is safe, instructors have clearances and there will be other kids. So, we are offering a new Junior Membership program for kids to practice and play with other kids during specific times each week. During this time, Genesis Golf will close off its facility to other adult customers and designate it as child-friendly times for junior golfers. During these times we will have a rotating floor setup in the open classroom, putting practice and the Hitting Zone setup for use on a rotating basis. We will do our best to rotate in kids, monitor that everyone is respectful and safe, but instructional lessons will not be available during this time. This is a time for everyone to enjoy! Junior must be age 8 or above.

Junior Membership Hours: Saturdays 1-4pm & Sundays 11am-1pm.

In addition, we will block 3 hours of the facility on school-closed days as a result of a weekday holiday off (but not in-service and snow-outs)

Costs: Non-Students - \$40/month and Genesis Students - \$25/month
5-month minimum is required and adherence to safety and behavior

Tandem Lessons with a Friend

This is a custom option for junior golfers that have a friend at the same level of golf game. Join forces with another parent to have a joint tandem class for your juniors for an hour long lesson, for either 4 or 8 lessons minimum. These lessons as well are all taught in the Hitting Zone area with perhaps a little time as well spent on putting. Available in lesson packs.

Cost: 4 lesson pack is \$30/class, or 8 lesson pack - \$25/lesson

Individual Junior Lessons (45 minutes)

Your junior golfer does better by himself or herself or maybe has become very serious in their game. We offer junior lessons for 45 minutes, any longer is too much.

Cost: 4 lesson pack - \$40/lesson, or 8 lesson pack - \$35/lesson

- Registration for Group Classes Closes on Wed, Oct. 22nd
- Classes Begin the Week of November 5th
