May & June Mini Rounds – we will schedule again a few more Mini Rounds at Pleasant Valley Golf Course for those ladies ready to hit the course. Dates will be determined by next spring

Ladies Winter League – if you are a somewhat regular golfer and would be interested in staying “limber” in your game this winter and desire to meet other lady golfers, please let us know. It is our hope to launch a Ladies Winter League, even if its for short period. Connect with us at sales@genesis.golf if that is of interest.

Ladies Golf Getaway Trip – we send golf groups throughout the Mid-Atlantic all year long, with our Genesis Golf Trips side of the business. As such, we also send out ladies groups. If you would be interested in a weekend getaway with up to 2 rounds of golf, and 2 nights of stay and a welcome reception, please let us know. We think it would be great fun to get away with the new friends that you’ve made and enjoy your new sport! Email us a sales@genesis.golf
