

Winter Jr Golf Academy

Winter 2020-2021 Junior Programs Plan

Genesis Golf will continue to offer Junior Golf programs, but will do so with precautions and consideration for families and customers. Class start times will have a 15-minute break in between for ensuring safe entrance and exiting of the facility, as it provides us enough time to clean any touched surfaces or materials use in the teaching of the said class.

In addition, instructors will wash their hands in between each class. Some classes will be offered as “mask only,” which we will garner that information on the Junior Program electronic form. If you only want your child in a class where the students use their mask the entire time, make sure to note that on the form. If you are looking to really improve your child’s game, then individual instruction is always the best option and progress will occur more quickly with independent practice in between lessons.

Beginner 8-Week Introductory Classes

If your child has no experience, this is a great way to build a foundation of golf basics, safety, while sparking an interest in golf. These classes are taught in our open classroom area using our PGA endorsed SNAG clubs. We pay special attention to the needs of each child to ensure no one is left behind. Our goal is to create confidence, get the child enjoying the game and gain a basic understanding of stance, putting, chip and pitch swings.

Elementary: Ages 8-11+ **Pee Wees:** Ages 5-7

Class Details: 8 weeks, with 4 students/class

Cost: \$150/student

Level 1 Winter Academy

If your child has completed our Introductory class or another golf program over the summer, this is the next step for your child. The program follows The First Tee ‘PLAYer and PAR’ programs, depending upon the skill of your child. Use of the entire facility will occur, including occasional challenges to build their short game. This is suitable for a child that doesn’t know how to independently navigate a course on his or her own, nor the rules and etiquette of golf. Juniors can expect to be “greens” ready by the spring.

Suitable for: Ages 7-14+, grouped by age, gender and skill

Class Details: 12 weeks, with 4 students/class + teaching materials

Cost: \$300/student

Level 2 Winter Academy

This program is developed for a junior that has completed our Level 1 Winter Academy and are ready to prepare for competition and try a tour program. The program follows The First Tee ‘Par’ and ‘Birdie’ programs for further development. Juniors will develop a course strategy mindset, receive bag mapping, and become comfortable with an acceptable pace of play.

Juniors can expect to be “tour or team” ready by the spring to join the YCJGA 9-hole Summer Tour in the summer.

Suitable for: Ages 8-14+, grouped by age, gender and skill

Class Details: 12 weeks, with 4 students/class + teaching materials and the three golf tag tools (know your rules, etiquette and yardage) valued at \$20

Cost: \$350/student

Junior Golf Lessons

We offer individual or tandem junior lessons sold in blocks of 4, with consistent scheduling (night, time). If your child is somewhat new to golf or your child is young, we suggest a tandem class with a friend to keep their interest and make it fun. If however your child is older and more focused on finessing his or her game, then we suggest an individual lesson instead.

Tandem Lesson Cost: \$30/lesson

Individual Lesson Cost: \$45/lesson or purchase a 4-Lesson pack for just \$160, \$20 savings.

Junior Golf League

We will run a weekly Junior 9-Hole Golf League this winter to be scheduled at the convenience of each parent. It will include weekly leaderboards and prizes the end of each series. The first will last for 8 weeks @ \$25/week, paid in advance with an online invoice.

Registration EXTENDED: Wed, Dec 23
